

Absolute Onboarding

Jump start your Absolute Journey

RAMPING UP WITH ABSOLUTE

When investing in a security solution to protect all your devices and the data residing on them, the effectiveness of the solution is contingent upon many factors. To ensure it starts out on the right footing, however, no factor is more important than ensuring the solution is deployed correctly with an effective implementation and on-boarding strategy.

ACTIVITIES
Digital Onboarding
Learning Hub
Dedicated Onboarding Specialist
Agent Deployment
Console Configuration
Core Feature Bootcamp
